

**FOR IMMEDIATE RELEASE**

## **INGREDIFIND APP LAUNCHES IN MONACO**

### **Ingredifind launches App in Monaco with special event at the Fairmont Monte-Carlo**

On Tuesday 25<sup>th</sup> April at the Fairmont Monte-Carlo, Ingredifind, the revolutionary new tech platform designed to help restaurants empower the millions of people with life-threatening food allergies and dietary preferences, will celebrate its premiere launch with its community of app users in the Principality of Monaco.

Beginning at 7pm, attendees will be treated to an evening of gourmet appetisers, premium vegan wines and a prosecco bar.

With this special event, Monaco will become the inaugural global location to feature on the Ingredifind app, which is now available on the Apple App Store. The Android version is expected to be available on Google Play next week. The Fairmont Monte-Carlo is leading the way for restaurants, hotels and resorts to join innovative Ingredifind.

To attend the launch event at the Fairmont Monte-Carlo, guests will require an *Ingredifind* app profile and RSVP through the [Club Vivanova events page](#). It is an open house and free event.

Further information can also be obtained via the *Ingredifind* website: [www.ingredifind.com](http://www.ingredifind.com).

### **About Ingredifind**

Ingredifind is a leading platform for diners with dietary preferences and food allergies. Its mission is to make dining out safer and more accessible for everyone. With innovative technology, Ingredifind enables restaurants to provide accurate ingredient information so that diners with specific dietary needs can make informed choices. At Ingredifind is committed to creating a world where everyone can enjoy delicious meals without compromising their health or beliefs.
